A Letter from Henry M. Lyman, A. M., M. D., Professor of Physiology and Diseases of the Nervous Systems at Rush Medical College, and Professor of Theory and Practice of Medicine at the Woman's Medical College.

I take pleasure in certifying that Dr. A. G. Schloesser is a well educated physician, and to the best of my knowledge and belief he is an honorable and trustworthy practitioner of the healing art. His specialty, Swedish Movements and Massage, is one that is well adapted for the treatment of debility and of the various forms of weakness of the organs of digestion and locomotion.

PREFACE.

WE herewith present the Second issue of the CHICAGO BLUE BOOK, the publishing of which we undertook, at the solicitation of many of our friends and patrons, for the first time last year. We wish to thank the public for the kindness and consideration they have shown our efforts, and trust that this volume will attain a high place in their favor, which we shall endeavor to hold.

Neither time nor money have been spared to make the work as complete and valuable as possible; the difficulty attending the compiling of such a book can be easily appreciated. We therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We keep the entire work standing in type, that such alterations can be made promptly; in this way we hope to make the Chicago Blue Book as nearly perfect as it is possible to make such a volume.

Although our 1891 edition is thinner than that of 1890, it will be seen, by referring to the number of pages, that the book is really much fuller and more complete. On account of the rapid increase in Chicago we were compelled to get a paper specially made for this publication, in which way we have been able to increase the scope of the work without detracting from its appearance by allowing it to become bulky.

The title, "BLUE BOOK," is simply a name given the work on account of its blue cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "BLUE BOOK.— A parliamentary publication, so called from its blue paper cover, such being commonly used; *also a book containing a list of fashionable addresses.*" We do not claim the BLUE BOOK to be either a City Directory or an absolutely Elite Directory; neither is it issued as a book for financial business purposes; but simply, as it claims to be,—a list of names of

twenty-five thousand of the most prominent householders of Chicago and towns in the vicinity, published in the most convenient form for social purposes.

While retaining all the old features, such as Calling Days in the Street List, and Summer Residences in Alphabetical List, we have added very materially to our Miscellaneous Information, Club Lists, etc.

Any suggestions from our lady patrons whereby we can enhance the value of this work, or information in regard to Social or Literary Clubs and Associations, will be gladly received. We would also deem it a favor if our patrons who do not return to their homes by October 1st would send us this information, as it is not safe to take it from servants, or any one except the parties interested. The absence of many of our citizens this year caused considerable delay; we trust to overcome this in the future, that the book may be issued earlier in the season.

FACE BLEACH ✣ KING OF ALL BEAUTIFIERS,

REMOVES ALL BLEMISHES AND DISCOLORATIONS OF THE SKIN.

Man or woman wishing to beautify their complexion can not obtain a better preparation than Face Bleach, though they pay $10 a bottle for it. My remedy sells for $2 a bottle. or 3 bottles, usually required, $5. Some may think this a high price, but it is certainly not when you consider that in one year the average lady spends $5 for cosmetics; and by clearing the face with Face Bleach the complexion remains good for seven years in the average case, which well repays one for the outlay. Its action on the skin cannot fail, as it draws the impurities and discolorations to the surface and very gradually scales off the outer skin and impurities, leaving the under in a perfect condition. You can depend upon it giving a natural, healthy, beautiful skin, no matter how bad.

Sent to any address upon receipt of price, $2 per bottle, 3 bottles for $5.

COMPLEXIO BLÉACH

IN Physical Culture I develop the FACE, NECK and CHEST to a perfect roundness, giving to each the full beauties of womanhood. I understand the formation of the muscles, tissues, and the skin; have studied both here and with Parisian artists; have learned the art of artificial feeding for the skin to preserve its softness and obliterate wrinkles. In **MEDICINE**, the effect of impaired digestion, torpid liver, etc., on the complexion, and the correction. The hours from 10 to 11 A. M., and 3 to 4 P. M., I give for consultation.

DEPARTMENT OF THE INTERIOR,
UNITED STATES PATENT OFFICE,

WASHINGTON, Dec. 22, 1884.

Dear Sir :—My Niece, Miss Rachael Eastman, went to Dr. Rivenburgh to be treated for stammering.

I take pleasure in saying that the treatment was entirely successful. My niece is entirely cured, so that she speaks now as fluently as any person could desire.

From what my niece tells me, the Doctor has been very successful in the treatment of stammering. In her case I know the treatment was entirely successful.

Respectfully yours HON. BEN. BUTTERWORTH,
Secretary World's Fair, Chicago.

Parlors for the treatment of Wrinkles, Facial Blemishes, etc. This method is practically new in this country. It is not known west of New York, where it is indorsed by expert dermatologists, as the only method of relieving nature's defects.

My parlors are absolutely select. The Toilet Appliances used by me in my practice are prepared under my PERSONAL SUPERVISION in my private laboratory. I therefore confidently recommend them for home use. All of my appliances are agreeable, positively without harmful AFTER RESULTS, and of the highest grade of excellence in ingredients used in their preparation.

Wrinkles on the Face

MASSAGE IT WITH . . . .

Mary E. Murray's Almond Nut Cream

PATTI.

PATTI

Is the first person of any prominence who acknowledges having kept her face free from lines and "crow-feet" by rubbing well into the skin that which will feed, nourish and soften. She says "the face gets faded like any delicate article, and needs to be refreshed and restored, a certain amount of friction and oils are necessary to do this, and that is what I get in this preparation." Positively deep wrinkles can be rubbed away with this Cream, and an emaciated face will regain its roundness.

Almond Nut Salve

Is a positive cure of External and Itching Piles, all facial blemishes, such as Pimples, Blackheads, Roughness, Moth, Brown or Liver Spots, Scars, and Small Pox Pittings if only skin deep. It will cure the worst Boil or Felon if applied and kept on when it first appears.

The Cream and Salve are both sold at all the Toilet Counters, Drug Stores and Hair Stores. The trade supplied by Robert Stevenson & Co., 92 and 94 Lake St., or will be sent by Mail (unless ordered otherwise), in plain wrapper, on receipt of price $1.00 each, for either the Cream or Salve. Six Kegs of Cream $5.00 — you will never need more than one Box of Salve. Send 2-cent stamp for full particulars, and "How to Keep the Face Young," sealed in plain envelope.
